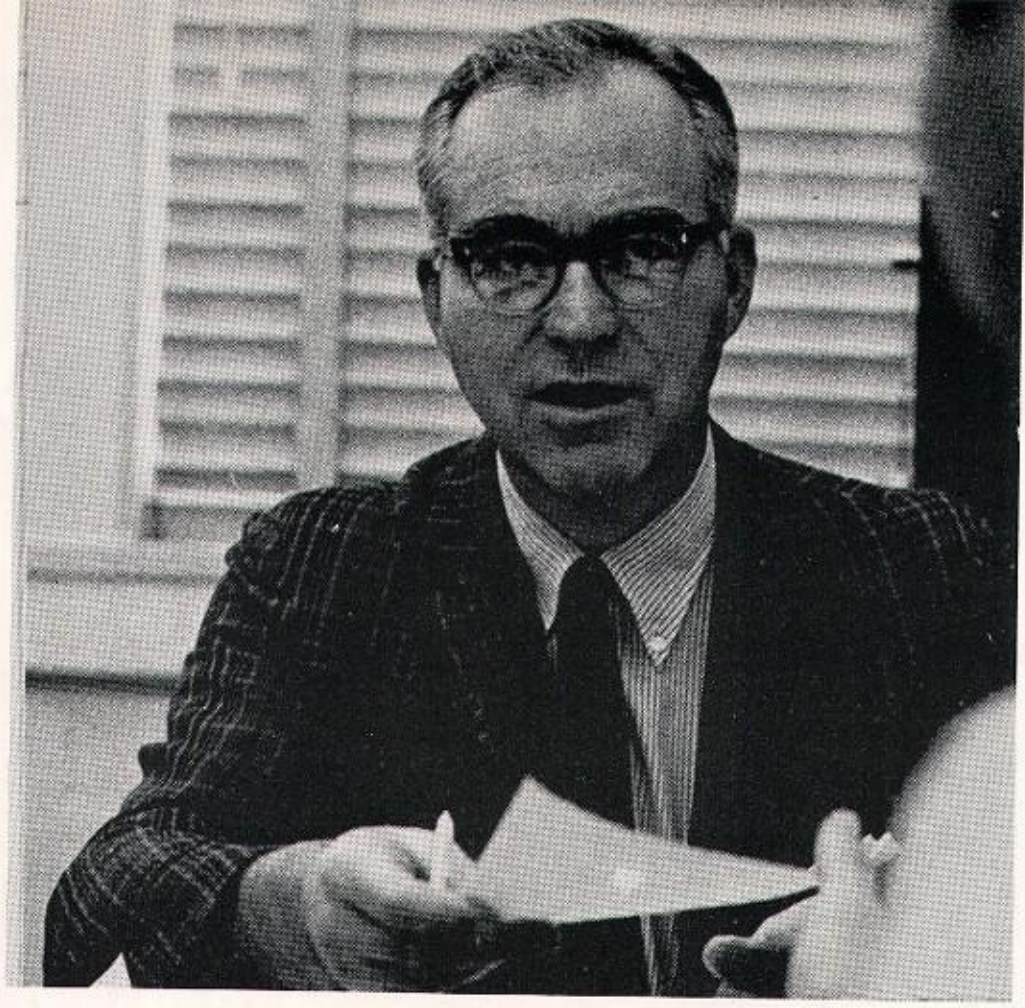
Administration
1967-68

MR. RASMUSSEN

As principal of Benson this gentleman offers students an image they can be proud of. His hard work during the summer on the Save P.I.L. Athletics program shows his tremendous initiative. Even with the defeat of the school levy, Mr. Rasmussen continues to bring Benson students a top level of education. He has a great interest in education and is a member of many professional committees. Benson's faculty and students look to their first citizen for leadership.

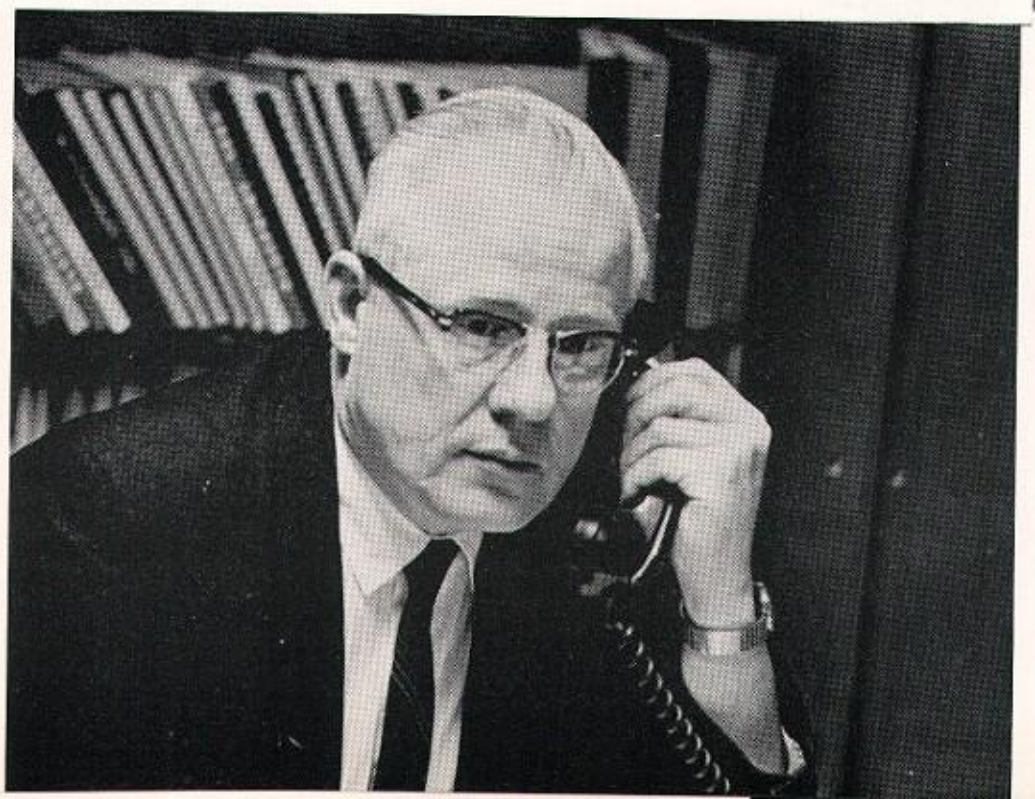


MR. HAROLD ANDERSEN

Mr. Andersen holds the title of Administrative Vice Principal in charge of students. This busy gentleman carries the responsibilities of behavior by Benson students on his shoulders. His continuing efforts upgrading the habits, attitudes, and philosophy of Benson gentlemen shows its results in the fine public image we enjoy.

MR. AKI NISHIMURA

Mr. Nishimura is Vice-Principal in charge of shops. This talented gentleman also handles the discipline of our shops. Due to the defeat of the school levy, it has become much more difficult to supply our shops. The responsibility of Benson's fifteen shop divisions requires constant inspection by Mr. Nishimura. This careful supervision keeps shop work and learning at a level directed toward the best in education.



MR. LARSON

Mr. Larson is the newest member of the Benson administrative staff. He is Vice Principal in charge of curriculum. This man is responsible for continuing the high standards of academic instruction which is being used here. Perhaps the most difficult job Mr. Larson has is that of scheduling the entire Benson student body into their classes. Knowing where two thousand students are nine periods a day is plenty for any one man to supervise. We at Benson are confident Mr. Larson's efforts will uphold the quality in leadership we so appreciate.

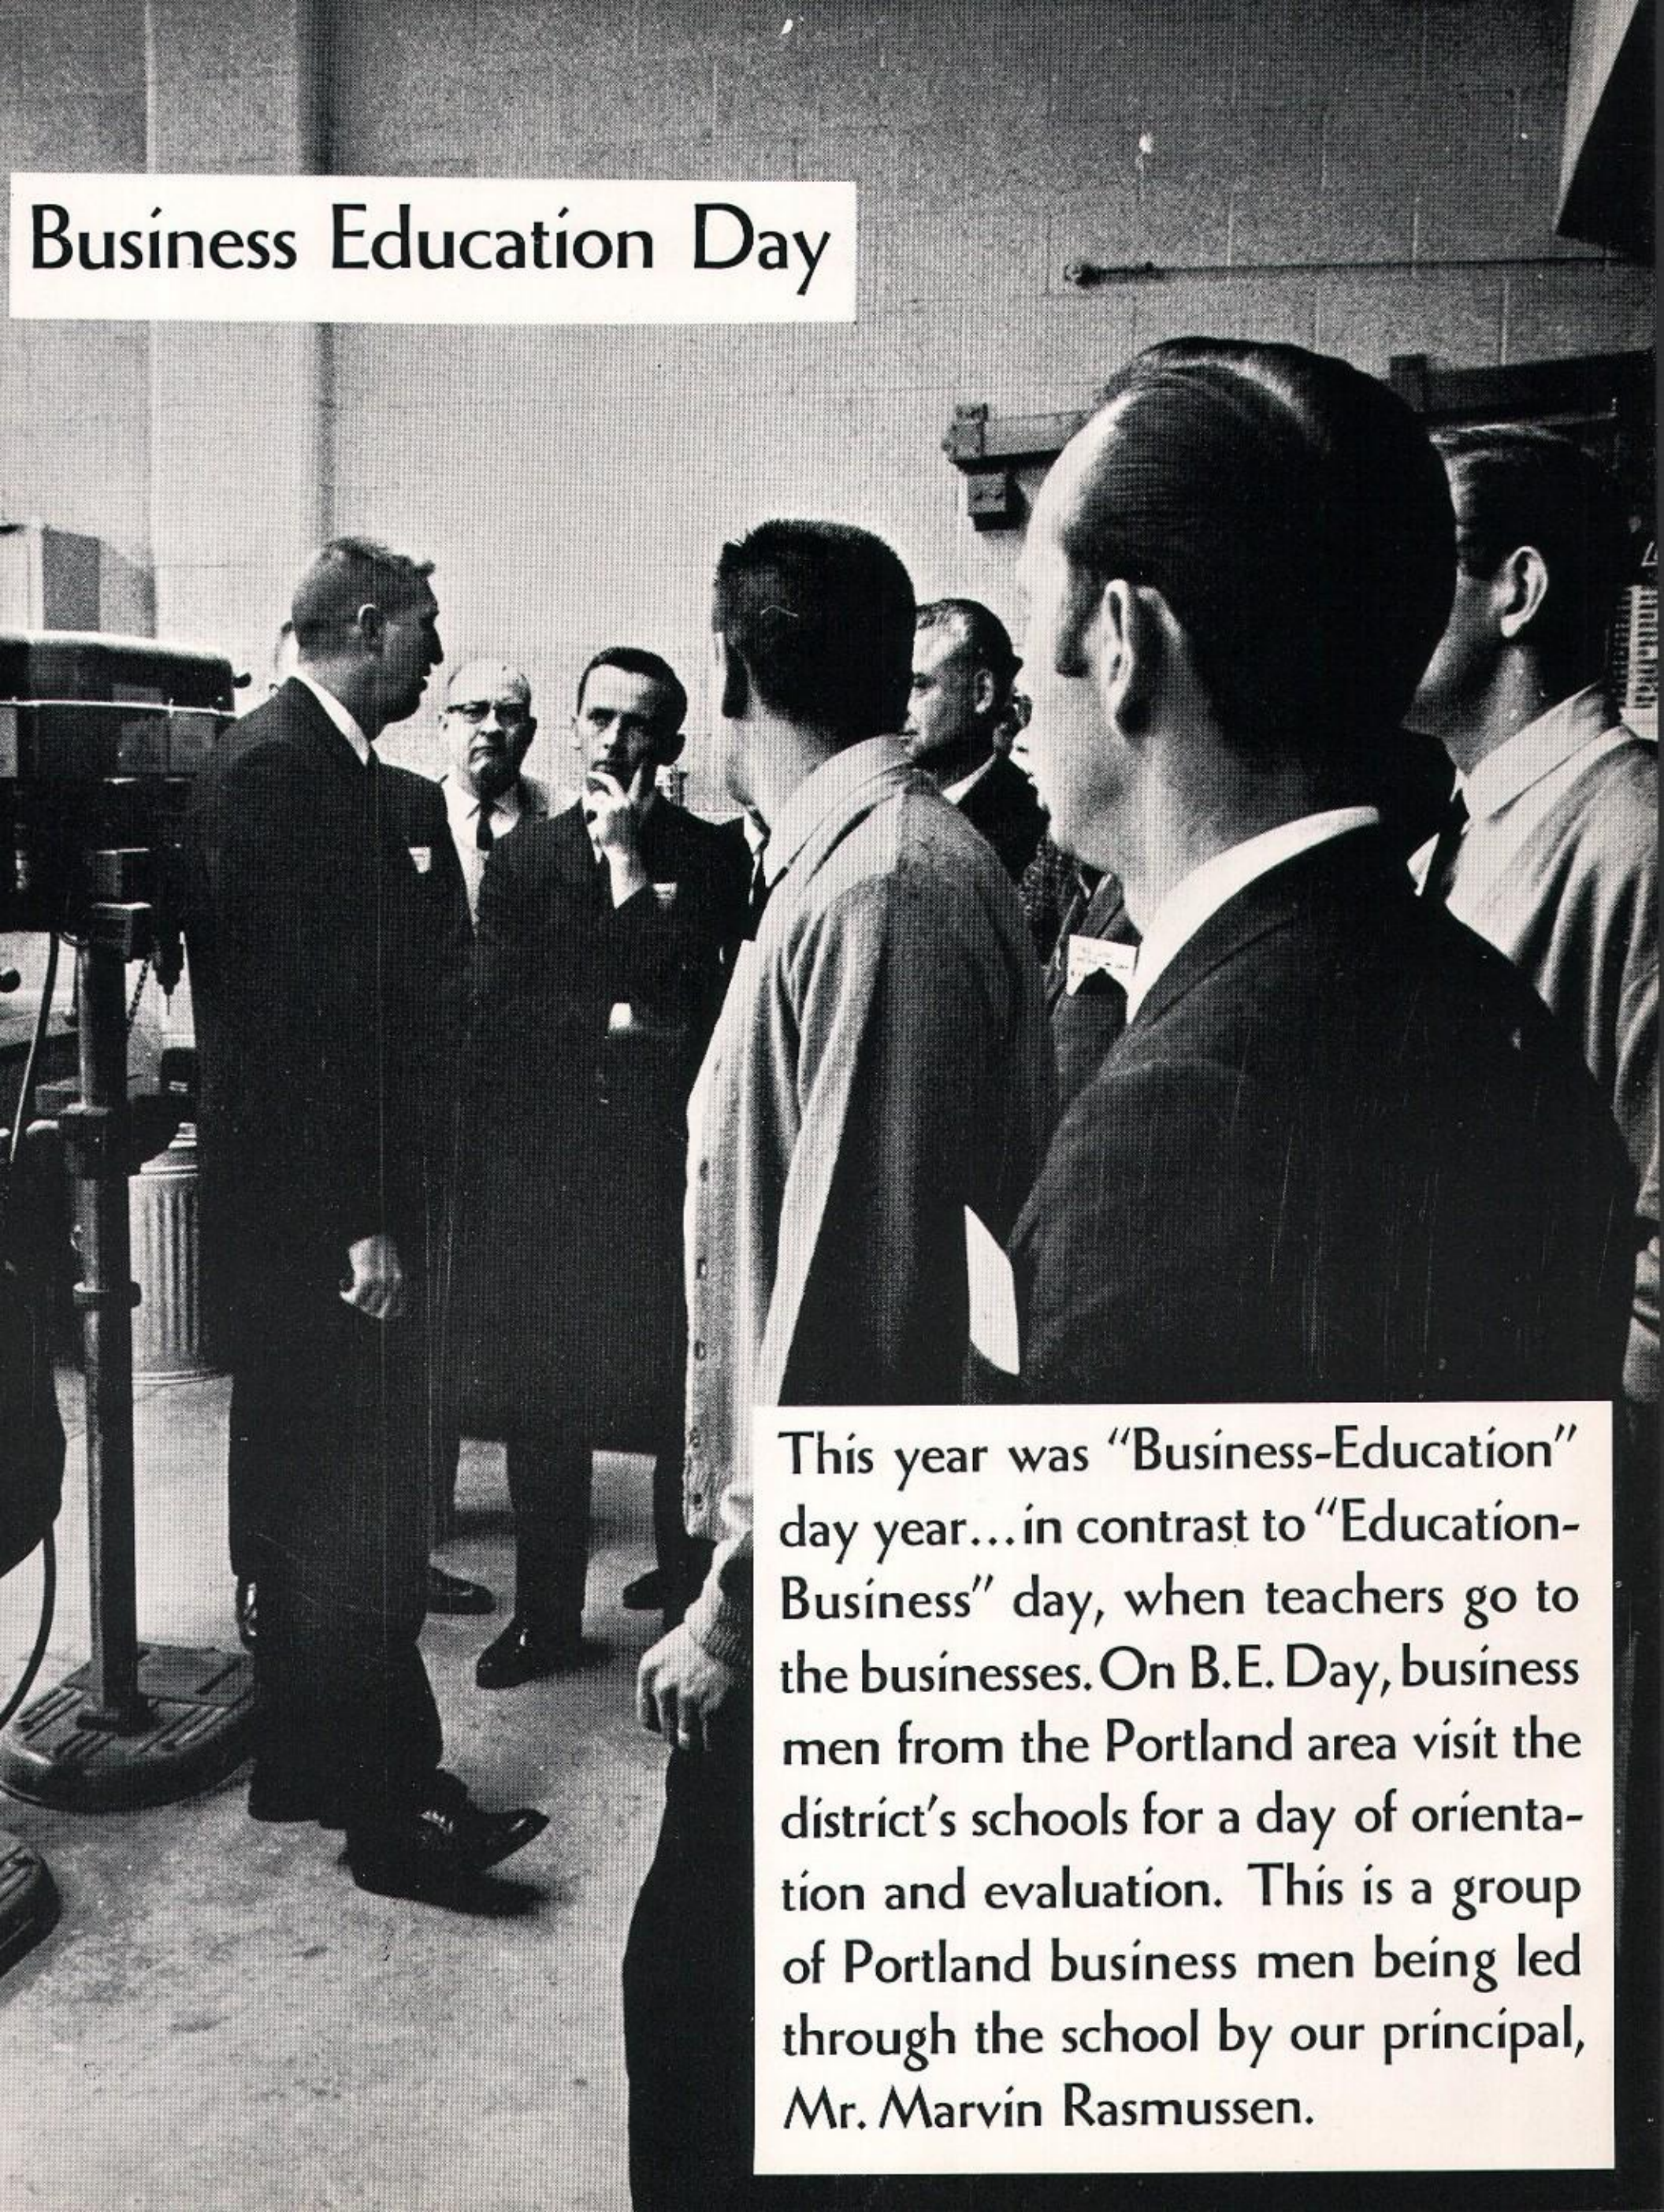
Business Education Day



This year was "Business-Education" day year...in contrast to "Education-Business" day, when teachers go to the businesses. On B.E. Day, business men from the Portland area visit the district's schools for a day of orientation and evaluation. This is a group of Portland business men being led through the school by our principal, Mr. Marvin Rasmussen.

Fang Ming-Foong

Just before Christmas of this year, Steve Robinson, editor of the TECH PEP, threw a project into action which called for the publication of a literary magazine and the adoption of a foster child utilizing the money raised through the sales of the magazine. The magazine, the BEN-SUN, was distributed, and Fang Ming-Foong was adopted through the Christian Children's Fund.

Fang Ming-Foong is a twelve year old girl who lives on Formosa, an island which is, at this time in history, a country of significant importance to international security. Fang's father was killed in battle action. Her mother has tried her best to support her children; but she couldn't make ends meet. So, thanks to Benson Polytechnic School, Fang has been given the opportunity she needs to pull herself out of the rut in which so many people in her country find themselves stuck. Thanks to the generous gift which our school have given her, she has been receiving food, clothing, education and any other things which she might need in order to cope with her poverty-stricken life.

The magazine which has been successfully published is the first of its kind at Benson. Last year Steve Robinson unsuccessfully attempted to publish one similar to it; but the thing which helped it to be successful this year was the cooperation received from Benson students.

Roger Montgomery

The Importance Of Being Earnest

This year, as in years past, Benson students have joined Girl's Poly n putting on plays. Benson does not have a drama class as such, Girl's Poly does, so Benson students interested in drama have gone to Poly o get the experience of performing. This year Benson seniors John Gibson and Roger Montgomery were the stars of *The Importance of Being Earnest* by Oscar Wilde. Senior Ron Fraser was the assistant director and senior David Little played Dr. Chausible.

Miss Frances Morrison

Miss Morrison checks out book to a student, which is one of her many daily activities.

Miss Frances Morrison, Benson librarian, came to Tech in 1929. After graduating from Washington University in 1921, she taught high school in Pullman, Washington, for three years. Columbia University was her next stop, where she atttained a graduate library degree. From there she came to Portland and began working in the downtown library part time in the technical department. She also worked at Benson.

When she started at Benson there were about 5,000 books in the library and 15 magazines. Today's library stores 20,000 books and 150 magazines.

Miss Morrison enjoys traveling and she has traveled to the Orient, Europe, Alaska, Mexico and Central America. She plans to travel a little more after retiring this spring.

Miss Morrison shows David Oliver how to operate the card stamping machine in the library.

Mrs. Florence Meagher has been an inspirational counsellor to the seniors, "L-M," of the class of '68. We have always felt free to rely on her for advice and guidance concerning our many problems.

Mrs. Florence Meagher

Senior Counsellors

To Mr. Richard Gray, senior class counsellor, seniors "A-L," we wish to extend our sincerest "thanks" for his helping hand and sound advice in directing our lives toward significant goals.

As we prepare to leave Benson, we realize more than ever, the important part Mrs. Florence Meagher and Mr. Gray have played in forming our plans for the future. We take this opportunity to thank them both personally for their endless devotion as our counsellors for the past four years.

Tech Has Best Season Since '63

The 1967 football team had the Benson's first winning season since 1963. Finishing third in the P. I. L., with the most points scored, 234, the 1967 Engineers did themselves proud. Made tough through hard pre-season workouts, the Tech club started the season prepared.

With two pre-season wins over Roosevelt, 48-20, and Jackson, 34-6, the Engineers were set back in the third game with an 18-0 loss to Grant.

The fourth game against Cleveland put Tech back on the winning path with a 28-12 victory. An unfortunate 19-19 tie with Marshall hurt the Tech drive to the championship.

The following week Franklin beat Tech by a narrow 8-7 margin. This put Benson out of the title race but didn't hurt the winning spirit, as they came back the next week with a 60-14 trouncing of Washington.

Tech finished the season with a 35-14 victory over a tough Wilson team. The new spirit acquired by Benson and the example set by the seniors seem to make Benson's chances in the future bright. Another factor was the crowd-pleasing exhibitions of team work which contributed to the Benson wins.

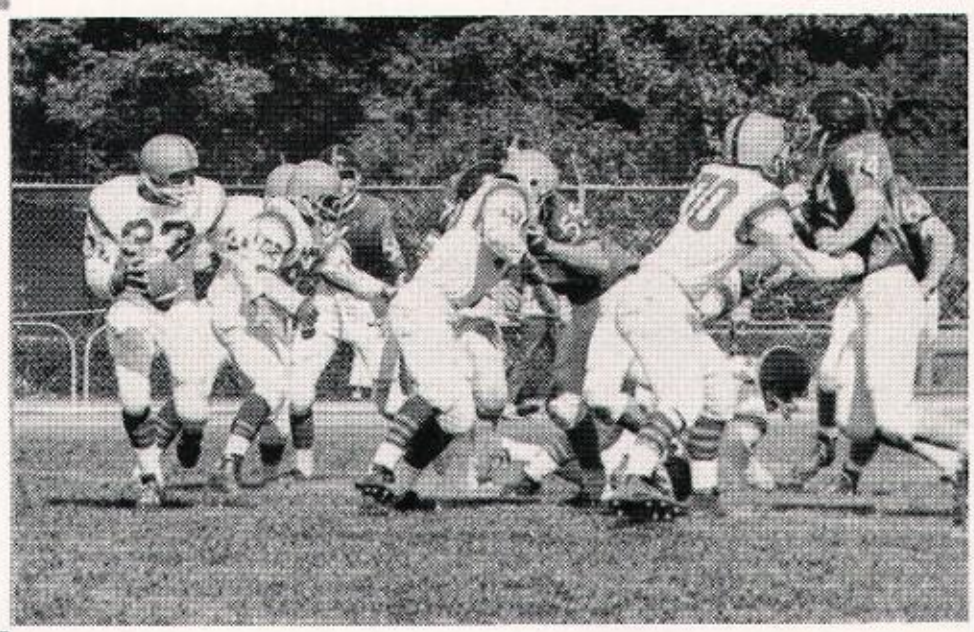
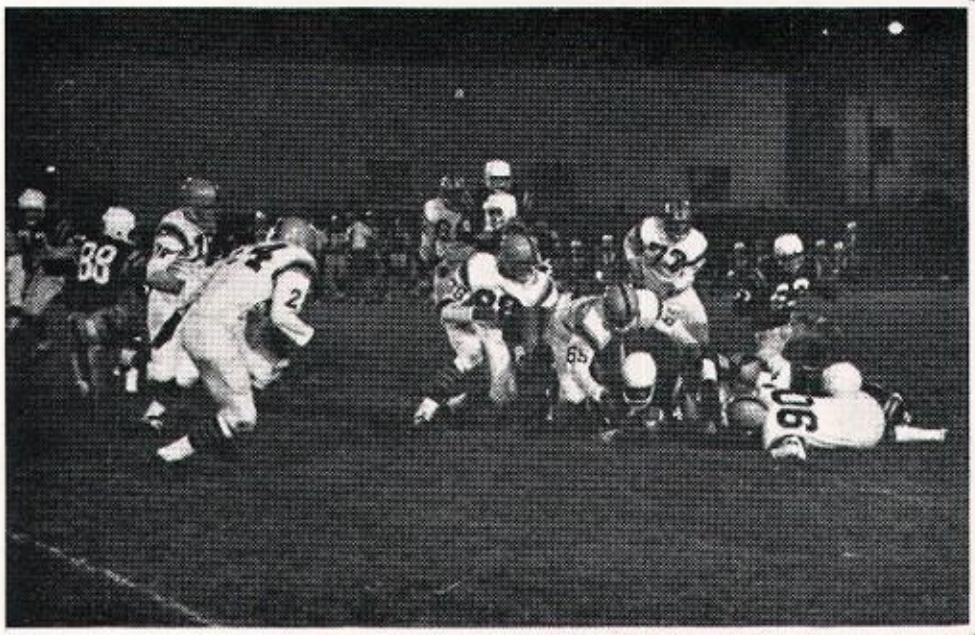
BENSON 49 — ROOSEVELT 20

Benson opened the 1967 Football Season with a 49-20 victory over Roosevelt on a hot summer day. The Techman, being in top shape and out hustling their heavier opponents, had a 28 point scoring burst in the second quarter. Ken Warren (End) and Ron Smith (HB) were the big scorers of the afternoon, scoring five of the seven TD's made. Foreman Lee kicked all seven extra points.



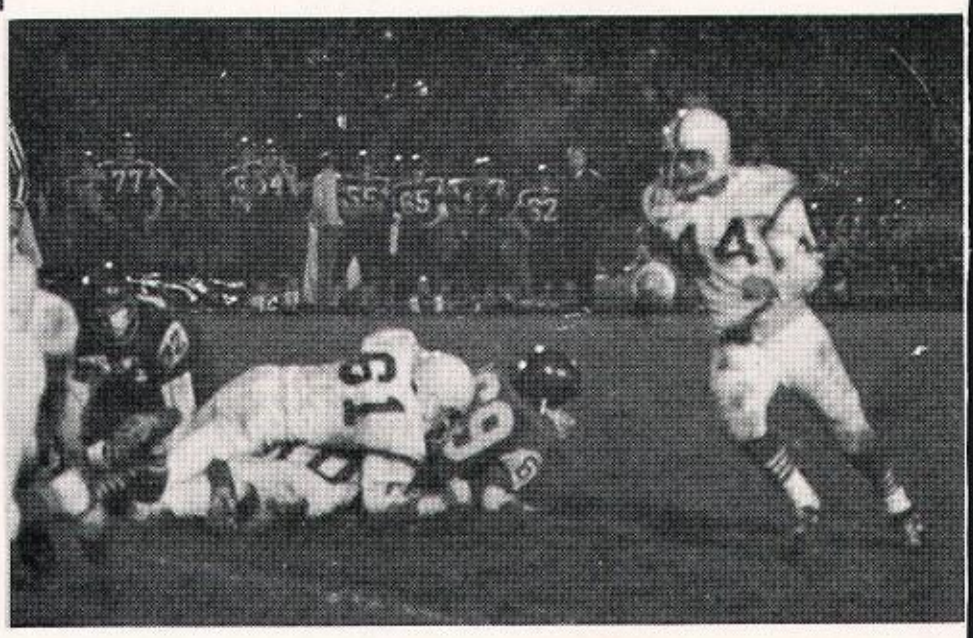
BENSON 34 — JACKSON 6

The '67 Varsity added a first to its record and the school's. This was the first varsity Football Game between the two institutions. Benson winning the first game 34 to 6 in what could develop into a strong rivalry. Harold Dixon (HB) had more rushing yardage than the entire Jackson team.



BENSON 0 — GRANT 18

It's hard to believe that Benson held Grant to 125 yards total offense by the score. Grant scored two safeties in the first half. 125 yards in penalties hurt Benson and set up both Grant TDs. Benson had some great defensive efforts that night by Co-Captain Tom Ewen, Anton Najdek, Jerry Frison and the entire Benson defensive team.



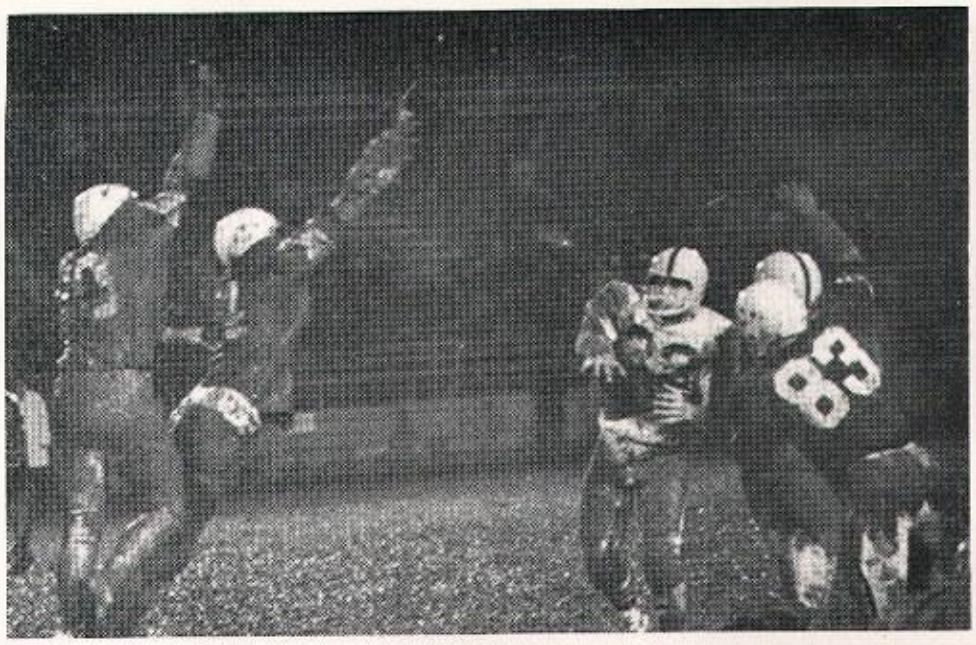
BENSON 28 — CLEVELAND 12

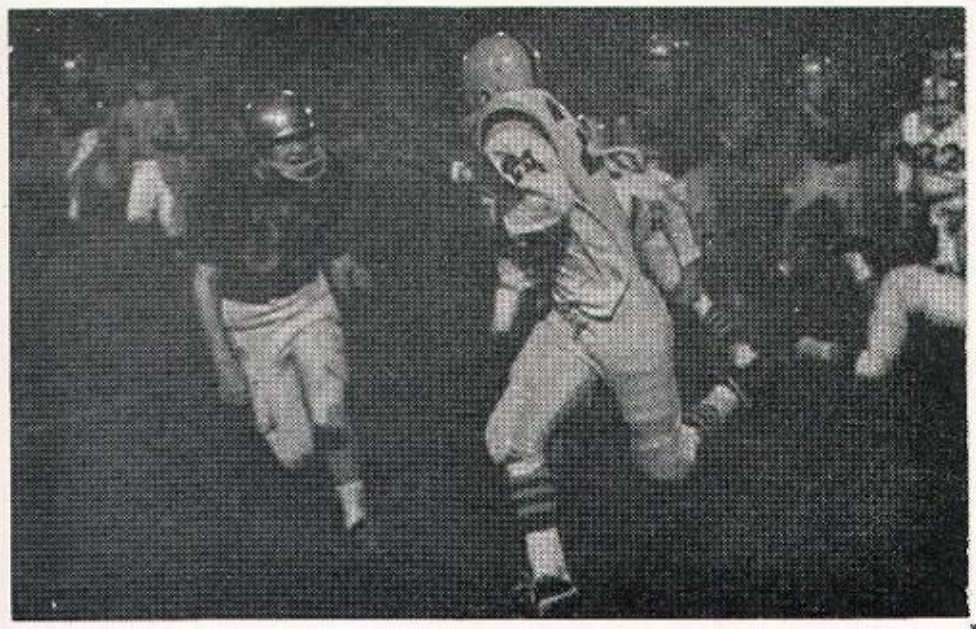
Some say it was the great game of the season as the offense rolled and the defense hit like semi-trucks. The offensive line opened gapping holes to enable Mike Meyer, Gary Bowles, Ron Smith and Harold Dickson to rush for 317 yards against a good, big Cleveland team.

Losses, 1 Tie

BENSON 19 — MARSHALL 19

If a tie is to indicate closeness of a game, then this game was as close as you can come. Both teams scored in identical ways, pass interception, TD-pass, and sustained drive. Ron Smith and Terry Stewart were outstanding on offense and defense respectively. Benson lost its golden opportunity in the last seconds of the game to break the tie when a TD-pass was dropped on the one-yard line. Total offensive yardage favored Benson 180, to 152 for Marshall.



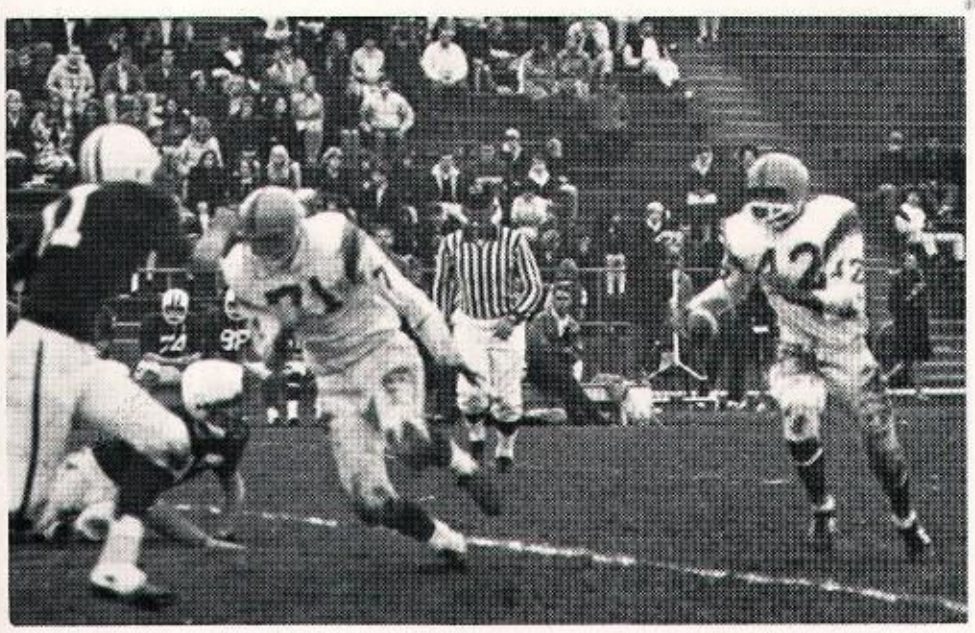


BENSON 7 — FRANKLIN 8

The only bad game of the year, according to Coach Dick Hennessy, "We beat ourselves with over a hundred yards in penalties, and had the winning TD called back. We also missed a field goal from the 13-yard line with only 13 seconds left in the game." Some outstanding line play by Doug Nord, Cal Frank, and Dave Kelly were bright moments in the game.

BENSON 60 — WASHINGTON 19

Benson took out its frustrations from the week before on Washington as Gary Bowles and Ron Smith tore up the Colonials 60-19. Bowles alone had more offensive yardage than the entire Washington team. Great blocking by Co-Captain Dave Peters and Mike Meyers enabled Bowles and Smith to score 42 points between them. Ken Warren caught a 21-yard Mike Meyer pass and fought his way into the end zone. Dave Peters scored the other TD, and Foreman Lee kicked 6 out of 9 attempts for Tech's 60 points.



BENSON 35 — WILSON 14

It had been several years since a Benson team had defeated a Wilson eleven, but this was changed on a beautiful fall afternoon. Wilson opened the scoring in the second quarter, but Benson's Gary Bowles came back with a 81-yard kickoff return. Shawn Briggs then intercepted a Wilson pass and scored a TD, making the score Benson 14, Wilson 7 at halftime. Wilson tied the game during the third quarter, but Benson's Bowles, Dixon, and Smith each scored to pull the game out of reach of the Trojans. However, give due credit where it belongs, this victory was due to the defensive efforts of every one who played in those sensational goal line stands with first and goal on the 2-yard line, 4-yard line, and the 5-yard line that kept Wilson out of the Benson end zone.

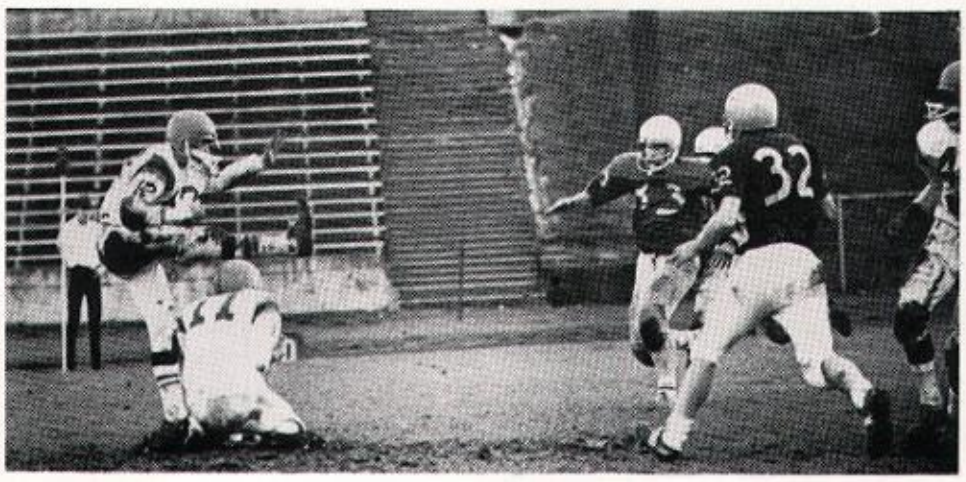
Coach Fred Erlenbusch



Ron Herring kicks extra point for J.V.'s in a tight game against Franklin.

The Tech J. V.'s had a hard season, with a 2 win, 3 loss and 1 tie record. Good individual play spurred the team to well executed defensive and offensive plays, allowing Tech to be beaten only by small margins.

George Nulf was selected Most Valuable Player for his leadership and playing ability.

Benson Frosh defenders seem to out-number Marshall Minutemen in fight for fumble.

The Freshmen made steady improvement as the season progressed and held up well with their opponents.

The season's record was 2 wins, 3 losses and one tie. In their losing games they held high scoring teams to low scores; a credit to their defense.

The most valuable player award went to Howard Bowles, who did an outstanding job both offensively and defensively.

Benson Basketball team kept the winning spirit for Tech strong, finishing 5th in city with a 13-9 record.

The pre-season play started with a 62-49 trouncing of Silverton. Mike Bright led Tech with 19 points. Cal Fowler and Gary Warren each finished with 16. The other team members also contributed to the first victory.

Benson crushed Estacada in the next pre-season game 81-48. Gary Warren with 26 led the other players to follow the same pattern of play. Cal Fowler hit 20 and Mike Bright 11.

The third pre-season victory came with a 79-39 win over Canby. Everyone hit to grab the win. Cal Frank led with 17 followed by Bright, 10; Gary Warren, 11 and Fowler 12.

59-54 was the score of the Tech victory over Kelso. This was the fourth victory in the pre-season play. Cal Fowler led Tech with 17 points with the whole Tech squad helping with the win.

The fifth pre-season game brought Benson their first defeat, with a narrow 65-64 loss to Newberg. Cal Fowler hit for 18 and Ken Warren 12 but the Tech squad was unable to keep up with the Newberg drive in the last quarter.

The sixth game brought the second loss to Benson. It was a close contest ending in a 42-38 score. Oregon City scored in the last few minutes of the game to capture the victory. Gary Warren led scoring with 16 points.

Benson started league play with a 58-49 victory over Franklin. Fowler led with 19, and Gary Warren with a close 16 inspired the team to take an early lead and maintain it throughout the game.

The second league game was a 58-54 overtime loss to Grant. Getting 16 points in the fourth quarter, Benson put the game into overtime. In the extra period Grant scored 10 to Tech's 6 and came up with the win.

In the third game Benson met division leading Washington. Benson stayed close in the scoring department but a six point deposit in the first period brought to Colonials their victory. Gary Warren led with 25 and Mike Bright followed with 20.

Cleveland beat Benson by a narrow margin 77-69. Cal Fowler was Benson high man with 21. Gary Warren with 20 and cousin Ken, 15, were close behind.

In a low scoring game, Marshall, with a last minute basket, outscored Benson 32-30. Cal Fowler was the only member of Benson's team to get into double numbers, hitting for 10.

Gary Warren scored the last five points to beat Wilson 47-46. Gary Warren was high with 11 points and followed closely by the other members of the Tech squad, claimed the victory.

Benson slaughtered Jackson 79-45. Cal Fowler was high man, hitting 26, and Mike Bright scored 17.

Benson beat Madison in the Memorial Coliseum 68-55. The Techmen clearly outplayed the Senators, outscoring them in all four periods. Gary Warren had a game high of 26 and Fowler hit for 16.

76-40 was the score of Benson's victory over Lincoln. Cal Fowler was high-point man with 24. Ken and Gary Warren each had 12.

The contest with third ranked in state Jefferson ended in a defeat for the Benson squad. The 81-58 score had Jesse Brazzle and Gary Warren high with 18 points each.

Benson's triumph over Roosevelt 50-29 was not so easy as it looked for Benson because of inaccuracy from the field. Cal Fowler led Tech with 20 points.

The second encounter with Franklin brought Benson a 67-55 win. Gary Warren was high with 20 and Cal Fowler hit for 18.

70-68 was the score of the second game between Benson and Grant. This was Tech's second win in the second round. Ken Warren and cousin Gary led scoring with 16. Jesse Brazzle followed with 14.

Tech dropped the second Washington game 85-71. Gary Warren hit for 26 and Cal Fowler had 23.

Benson lost the Cleveland game 88-76. Gary Warren hit for 27 points; Fowler and Mike Bright both got 16 and Ken Warren scored 15.

In the final game, Benson got their last victory over Marshall, 68-61. Cal Fowler had 21 points and Gary Warren came up with his usual double numbers with 19.

On and off the court other team members spurred on the team spirit; Cal Frank, Dave Kelly, Larry Fleischman, Mike Meyer, Dick Aanderud, and Mack Lai.

The Junior Varsity ended the basketball season with an 11-11 record, winning the majority of their final games. Led by Dan Graves, Willie Lee, Cedric Lindquist, Curtis Mayes, and Mike Hennessey plus ample help from a strong bench, the team improved greatly from the first game to the final victory against the Marshall JV's. The Varsity season next year looks very bright with the addition of these spirited and hustling Techmen.

The freshman basketball team, though not sporting an outstanding record, showed signs of becoming one of the better teams for Benson in the future. With the starters being chosen from Steve Holmgren, Dennis Crapo, Larry Hoyez, Ron Stewart, Jan Hackert, and Dan Pooschke, the team combined for a 6 win, 8 loss record. The outstanding player was Steve Holmgren, who Coach Ole Johnson feels is an excellent prospect for future Benson basketball teams.

Varsity Wrestling

Coach William Hryciw

Coach John Bergan

Benson grapplers had a winning season with a 7-4 record. The best matches were when we beat Wilson by one point, and when Benson toppled Franklin, keeping them from being city champs with a one point victory.

In the City Meet, Benson placed two men in a first position, one in a second spot, another in third and one in fourth place.

Mike Downer and Cecil Hatchett, both City Champs, finished their season as the State Champs of their respective weights, 98 and 106 pounds.

Dwight Onchi was second place in the city and went to the State Tournament, but because of tough opposition was unable to advance.

Mark Skelton took a third place and Louis Amadaro finished fourth in the City Tournament.

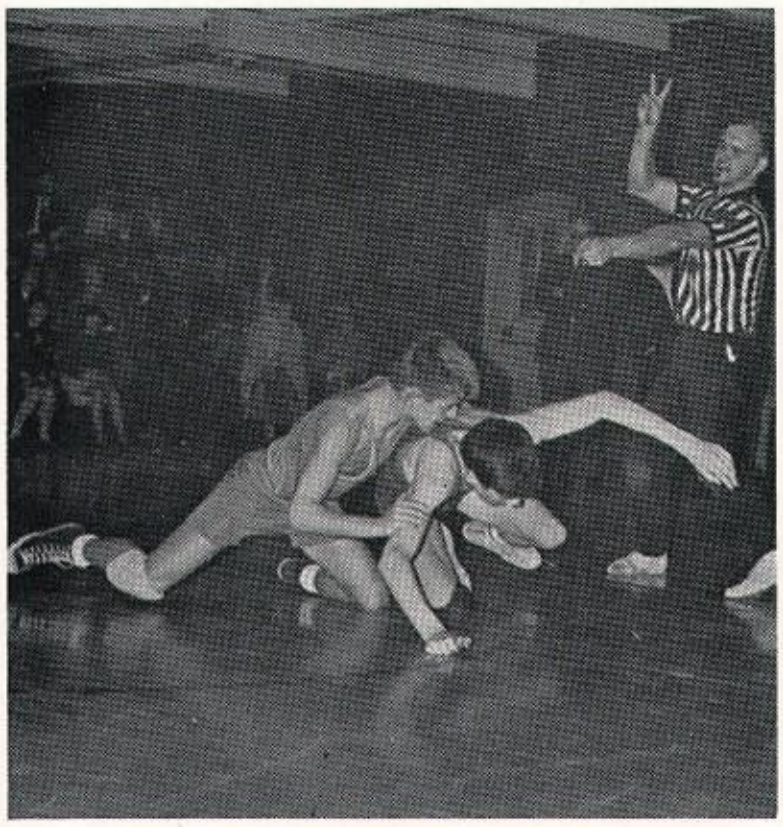
Frosh Wrestling



Gary Hollingsworth gets a two point reversal in Cleveland match.

Undefeated, and for the second year in a row, City Freshmen Wrestling Champions, Benson's hustling 1968 Frosh should make the future bright at Tech in Wrestling if they continue their winning ways.

Boys like captain Bob Veley and team mate, Kip Brouwer, recipients of the Most Valuable Wrestling award for the 1967-68 season, should make great Varsity prospects. Larry Loose, Richard Clanton, Steve McKinney, Gary Hollingsworth, Bob Beaton, Doug White and Glenn Harper, along with all 43 members of the team, paid the price to be City Champions.

The Freshmen ended the season by winning the Freshman Invitational Tournament at Benson for the third year in a row.

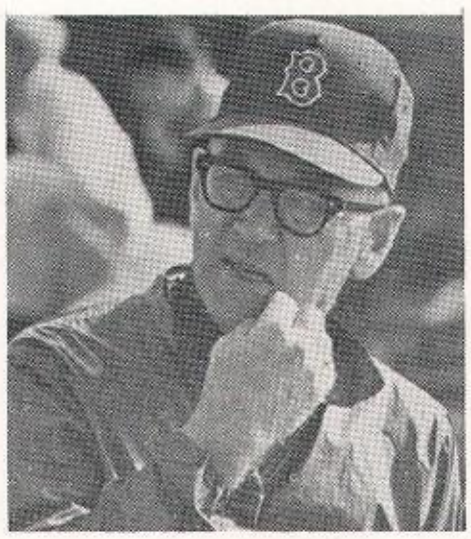
Varsity Baseball



Co-Captain
Mike McClellan

The 1968 Varsity Baseball nine was another successful athletic team for Benson. Led by senior co-captains Mike McClellan and Cal Frank, the varsity nine was a tough crew to beat throughout the year. Powerful hitting and a sharp defense were keys to the fine outcome of the season. Several team members, Chuck Biancone, Cal Frank, Mike Meyer, Ken Warren, Harold Dickson, Johnny Kolb, Mike Dukart and Dave Kelly, were feared as hitters and respected at their individual defensive positions throughout the Portland Interscholastic League. Another asset to Benson strength were the back up men: Tom Ewen, John Weisner, Dennis Young, Bob Gates, Bob Schmaling and Norwin Burnett.

The pitching staff consisting of Mike McCellan, Gary Warren, Danny Smith and Mike Hennessey, were all excellent pitchers with low earned-run averages.

The strength of the team was that "never quit" style which Tech has possessed all year. Everyone hustled and the players pushed the others to put out a full one hundred percent. This attitude and actions are what makes winning teams.

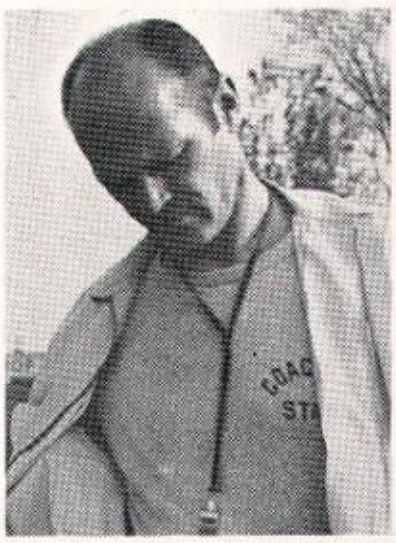
Varsity Track



Coach Floyd Simmons

The Tech track men ended the athletic year with an undefeated dual meet season. The first victory over Roosevelt started the season on the right foot. Marshall was the next victim of the Benson Cindermen. In the City Relays the showing was nothing compared to our dual meet performances. Jeff was the loser of the fourth meet, the first time in six years. The fifth and sixth meets brought Tech victories over Lincoln and Jackson.

Individual efforts by Techmen made the team strong. Bill Hume with his consistent wins in the javelin and discus; Jerry Frison in the shot, and Gary Bowles with 10.1 showings in the hundred and 22.9 in the 220, were sure firsts. Bowles also contributed with wins in the long jump.

Ed Garner was always a point winner for the Tech squad in the same events as Gary Bowles. Frantz Jeannis was always a winner in the 440 and 880.

Pat Novack, Mike Hann, and Bill McAvoy were point winners in distance events. Jerry Simons was a sure first in the low and high hurdles along with Russel Payne, who was also a 6' high jumper.

The JV and Frosh were also on top in their meets, making Tech's track future look bright.

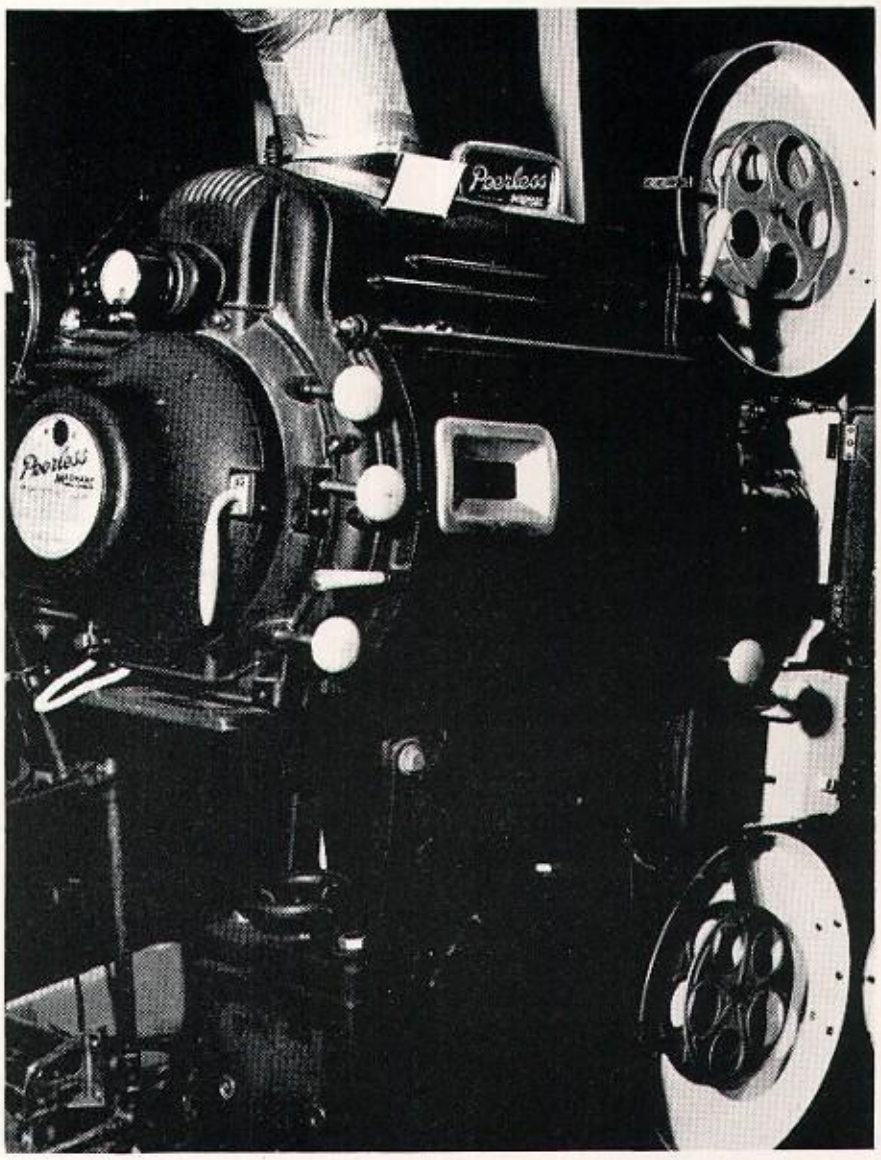
Mrs. Mary Thomas Barklow

$5,500 Donated to Benson

Mr. Nishimura explains to Mrs. Barklow the operating procedures of the new sound unit purchased with her donation to Benson.



With Mrs. Barklow's donation to Benson, two new projectors like the one above were purchased.

Mrs. Mary Thomas Barklow donated $5,500 to Benson Polytechnic in the fall of 1967. Why Benson? Because in the early 1930s, her son, Verne Thomas, was graduated from Benson and then went on to take a mechanical engineering degree at Oregon State University. Capt. Verne Thomas was killed in action in 1945 during the second World War.

"The school did much for him, and I just wanted to do a little something for the school," Mrs. Barklow explained. With the donation Benson purchased two new Century projectors, also a completely new sound unit. The benefits that the students will derive from the gift will be a constant and living memorial to the generosity and kindness of Mrs. Barklow and her son, a "Benson Gentleman" of whom we are proud.

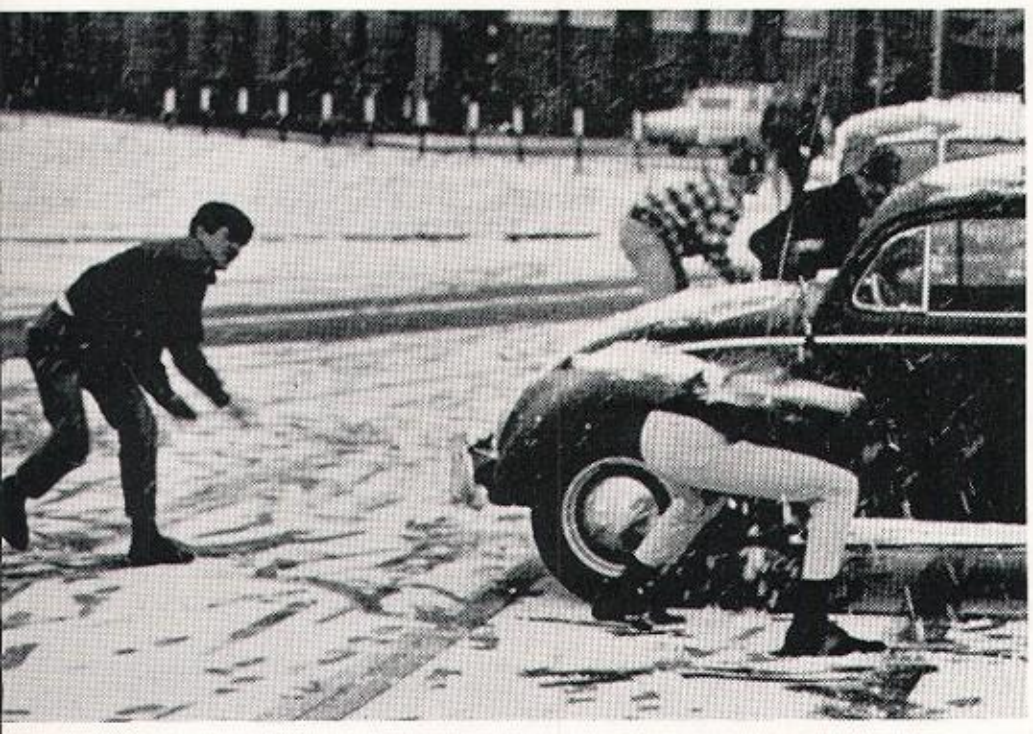
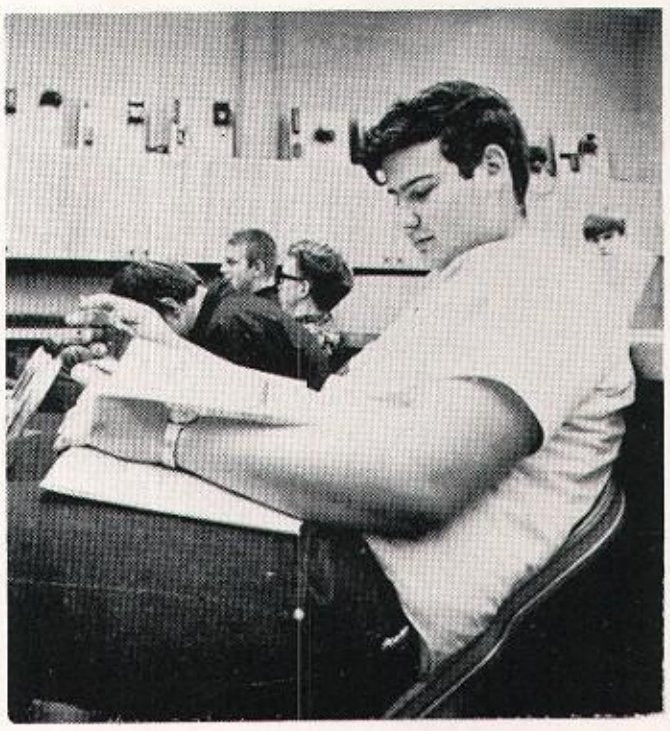
Mr. Andersen strikes again! Hardy Laskey gets the axe.



It snowed this year, and most of the students took advantage of it.



In some very rare cases, a student actually studies.

Loafing seems to be a popular sport.

A bunch of the boys whoop it up with a Fresca blizzard.

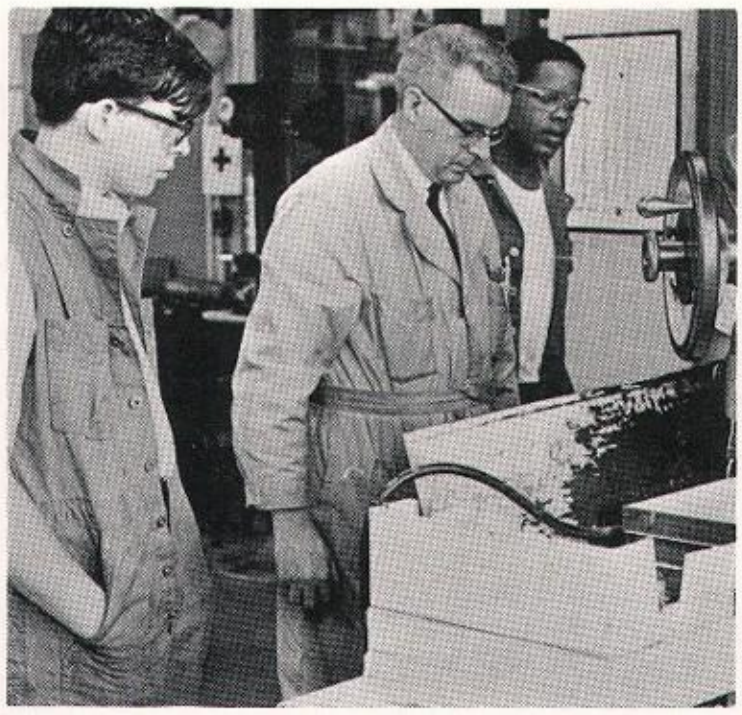
Engliish students attempt to learn the seemingly impossible.

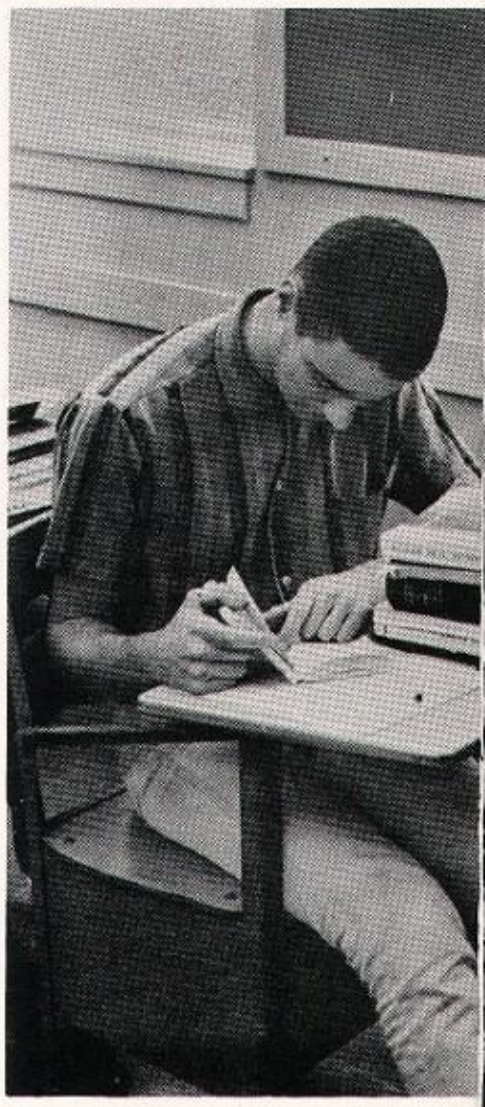


Mike Clark and Howard Jerry, under the instruction of Mr. Jack Dyer, inspect a job in Machine shop.

Jon Pullen pauses to smile at the photographer while attending one of his best classes.

Freshman English students seem very attentive.

Roger Yasui, senior electric major, inspects the windings on an electric motor.



Gary Anderson works hard in Health class.

Smile, You're On!

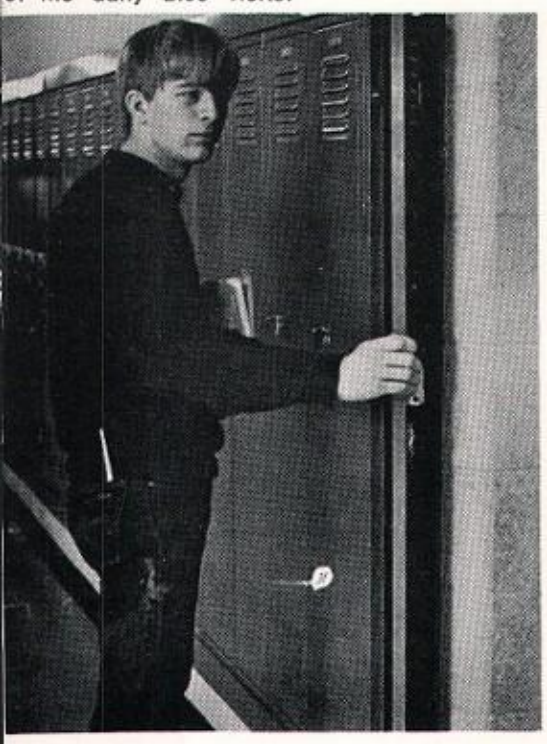
Another studious youth hits the books.

A student in Plumbing and Welding demonstrates his skill while bending a pipe.

Lectures are frequent during English and Social Studies.

Kowabunga! A P.E. student pretends to be Tarzan.

Marty Brower sneaks to his locker on one of his daily 2:55 visits.



Dwight (Kamikazi) Onchi poses for the photographer while at one of Benson's football games.
